The Manavta Club of the Institute for Excellence in Higher Education successfully organized an Adoption Camp on 21st March 2025 within the institute premises. The event was aimed at finding loving homes for college puppies and ensuring their well being through proper medical care

A significant highlight of the camp was the vaccination of all puppies, ensuring their good health and safety. A special thanks to Ishita Gondli for providing the necessary vaccinations and Mariyam Khan for coordinating with the veterinarian.

The success of the event was made possible by the dedication and efforts of Priyanshu Mishra, who played a crucial role as the backbone of the camp. Additionally, sincere appreciation goes to Janvi Pathrol, Samiksha Sharma, Vidhi Sharma, Sakshi Khareta, Poorva Agarwal, Anushka Malviya, Nilimp Yadav, Kajal, Anshika, Arsh, and Anjali Maity whose collective efforts ensured the smooth execution of the event.

A heartwarming moment of the camp was the virtual adoption of a puppy named Bijli by Vanshika Panda, marking a step toward responsible pet care and adoption.

The Manavta Club extends its gratitude to everyone who contributed to making this event a success and looks forward to organizing more such initiatives in the future.
