Action Taken and Outcome Achieved

Session: 2018-2019

- One Diploma, Eleven certificates & Three Training Programmes were introduced in the session.
- Economics and English departments were recognized as the Research Centers.
- A prototype Online Module was developed for the Internal Evaluation (Test/Quiz/Survey).
- Online modules were developed & implemented successfully by the IT-Cell of the Institute, viz. - Compulsory online feedback form prior to the year-end exam, Data collection module for Tutor-Guardian (TG), Online filling of Examination Form, Availability of Admit Card for term-end examinations etc.
- In place of the question bank, we have uploaded the previous year's Question Papers & Key to part-A of the Semester end Examinations
- Provision for online feeding of Medical-Leave data of Students, on Teacher's Login id was developed & Implemented on the Institute portal (Monthly Attendance Module).
- Online payment system (Bill Generation) for the honorary faculty of the Institute was developed & implemented.
- More numbers of CCTVs in classrooms, laboratories & parking areas were installed for surveillance on the campus.
- Awareness programmes on degradable and non-degradable waste-material were organized on the campus.
- More faculty members were engaged in research activities and registered as research guide with the University.
- An international level, 50th Golden Jubilee, Annual Conference of "Regional Science Association of India" hosted by the Department of Economics and a national level seminar organized by the Department of Commerce.
- Golden Jubilee Conference of "The Regional Science Association of India" was held at the Institute
- An ICPR, New Delhi-sponsored seminar on "Indian Philosophy towards Sustainability" was organized by the department of Economics
- A national-level seminar was organized by the Department of Commerce, and a proceeding of seminars in the form of the book was published.
- Physical and mental health clinics were established in the Institute for the counselling of needy students.
- Institute focused on digital enablement by purchasing Microsoft Teams software which helped students and faculty to connect virtually.
