2. Audio Visual Centre

An Audio Video Centre has been set up in the Institute with the objective of providing in house e-content preparation facility which enables quality video lectures to our students. This centre helps the faculty in creating high-quality video lectures and e- contents. The video lectures are uploaded on the portal of the Institute and the portal of Higher Education, Government of Madhya Pradesh. Lectures of some of the teaching staff are also available on the 'YouTube Channel' and the Institute is also having its own 'YouTube Channel'. The centre is supported with advanced hardware and software tools.
