3. Lecture Capturing System (LCS)

Lecture capture at IEHE has been designed as a supplement but not a substitution for, the live lecture experience, for training and video conferencing. There is a provision of lecture capture in room number 72 and 73 of Kautilya Bhavan (Commerce and Arts Block). This facility contains information for staff and students about the ways that lecture capture can be used effectively to support learning, and has links to technical and policy guidance to aid implementation.
