Report on Constitution Day

Constitution Day is celebrated every year on 26 th November to commemorate the adoption of the Constitution of India. The purpose of celebrating this day is to create awareness about the Constitution and its values among the citizens, this also helps in understanding the role of the constitution in protecting the dignity, unity and integrity of the country.

2017-18

Constitution Day was celebrated in the presence of Director Dr. M. L. Nath in Seminar Hall 2. All the academic staff of the institute was present on the occasion. Dr. Anita Deshpande, Head of the Department of Political Science, discussed about the background of the making of the constitution, the historical importance of the constitution along with the duties of the citizens. Director M L Nath also addressed everyone, highlighting the importance of Constitution Day. The program was coordinated by Aditya Sharma and vote of thanks was expressed by Dr. Indu Pandey, coordinator of extra-curricular activities.

2018-2019

Students participated in discussion, in which they discussed about the development journey and amendments of the constitution.

2019- 2020

An essay competition was organized for students, in which about 15 students wrote an essay on the subject of “भारत का संविधान हमारी धरोहर”.

2020-2021

There was no offline celebration happened in the year 2020-21 due to Covid-19 however, the importance of Constitution day was discussed with the students during online classes.

2021- 2022

A quiz competition was organized by the Department of Political Science on the topic “Indian Constitution and Constitutional Development”, in which 129 students participated.

GENERAL AWARENESS
Environmental Studies
B.A./B.Com. Semester-II

SYLLABUS

1. **Basic concept of ecosystem:**
 - Definition of Ecology and Ecosystem
 - Structure of Ecosystem: producer, consumer and decomposer
 - Function: energy flow in ecosystem, food chain, food web and ecological pyramids
 - Types of Ecosystem:
 - Terrestrial: forest and grassland
 - Aquatic: pond, lake and river
2. **Natural Resources and its Exploitation:**
 - Definition
 - Different types of natural resources - Uses and over exploitation and associated problems (Forest, Water, Food, Mineral, Energy, Land)
 - Conservation and equitable use of resource for sustainable lifestyle
3. **Biodiversity and its conservation:**
 - Introduction
 - Definition
 - Levels of Biodiversity - Genetic, Species and Ecosystem Diversity
 - Biographical classification of India
 - Value of Biodiversity - Consumptive use, productive use, social, ethical, aesthetic and option value
 - Biodiversity at global, national and local levels
 - Hot Spots of Biodiversity
 - Threats to Biodiversity - habitat loss, poaching of wildlife, man-wildlife conflicts
 - Endangered and endemic species of India

Approved for the session 2021-2022 Page 1 of 2

PNG-201

- Conservation strategies- In-situ/ex-situ conservation

4. **Pollution of the Environment:**
 - Definition
 - Causes, Effects and control measures of Air, Water, Soil, Noise, Thermal and Nuclear Hazard
 - Types of pollutants and their fate in environment:
 - Biodegradable and non-degradable pollutants
 - Climate change, Acid rain, Global Warming, Ozone layer depletion and Greenhouse Effect.
 - Disaster Management: Flood, Earthquake, Cyclone, Hurricane, Landslides
 - Waste Water Management and Solid Waste Management
5. **Social issue and the Environment:**
 - Urban Problems related to energy
 - Water conservation:
 - Rain water harvesting
 - Water shed management
 - Resettlement and Rehabilitation of people
 - Population growth, variation among nation and population explosion
 - Family Welfare program
 - Woman and Child welfare
 - AIDS
 - Role of information Technology in Environment and Human health.
 - Environmental Protection Act: Air, Water, Wildlife Protection, Forest Conservation acts, human rights and value education.

Approved for the session 2021-2022 Page 2 of 2

During 40 min class period with the students through various activities as quizzes, roleplays, assignments, speech, poster presentations, group discussions. A lot of enthusiasm was seen in the students.

The open discussion was made in the class of B.Sc. Ist year on the topic of Environmental Studies. In this open discussion, students have discussed different points of environmental sustainability in which they have emphasized that we have to use our natural resources in a way so they could also be available for our future generations. The students have also talked about how we must move towards renewable energy resources and find a way to increase them.

2. Group Discussion on the topic Environmental Law and Legislation

36

The Group discussion was made in the class of B.Com Ist year on the topic of Environmental Law and Legislation. In this open discussion, students have discussed different points of environmental degradation, resource-exploitation, and human-health and soon Laws in India which will help them to find their ways in the field of environmental counsel, NGOs and others.

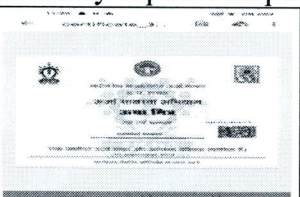

3. Vayudut Ankur app

100

To make the environment friendly and green, M. P. govt. had launched a scheme Vyudut Ankur App in which the students of the institute were asked to upload Vayudut App under which they were asked to plantation in the campus or in any area according to their suitability and upload selfie of this noble work in the same app. many Students of Chemistry department participated in this scheme.

4 Usha App

170

Taking steps towards combating the effects of global warming and climate change, the State Government is launching "Urja Saksharta Abhiyan" (USHA). Through this unique campaign in the world, students of schools and colleges and the general public will be informed about energy, solar energy and energy saving. Group activity initiated with Madhya Pradesh Urja Saksharta Abhiyan (Usha - <https://usha.mp.gov.in/Userregistration/index>) to aware the students to conserve energy. For this program total 1068 students registered for the program 862 students got the Certificate as Usha Mitra by Madhya Pradesh Urja Vikas Nigam Limited, Naveen evam Navkarniya Urja Vibhag, Govt. of M.P. This activity is very important to proceed toward fulfilling our mission.

and Dr. R. K. Shrivastava faculty member of chemistry department play an important role in this campaign in our institute.

5. Collaboration activity with EPCO

50

Students of department of chemistry actively taken part in activity plan by EPCO and won prizes in quize, essay writing, power point Presentation Group discussion etc.

NATURE'S CLUB

Objective

- To educate students about nature, conservation and environmental awareness.
- To sensitize students, staff and society about issues related to environment conservation.
- To encourage and motivate all the members of IEHE to protect biodiversity of the institute.
- To execute activities and small scale projects contributing towards campus beautification and cleanliness.
- To popularize the need of conservation of Earth and Natural resources by organizing activities related to it.

About Club

Nature is the mother of all, it is the best teacher and provider. We are bestowed by some incredible assets of nature. It is our duty to conserve and protect it.

Nature's club aims at working in the direction of conservation of biodiversity around us for sustainable development. From the year 2017 Nature's Club has been handed over to Department of Biotechnology and it has been meticulously progressing in its aim of providing a platform to the students and staff of IEHE, Bhopal to serve the Nature. Understanding nature and learning life lessons from it is an education in itself which enables in a wholesome development of our youth.

Currently the club is ran by the Department of Biotechnology, IEHE, Bhopal which visions a viable growth of the institute integrating issues related to environmental and social concern.

Achievements

- Successful campaigns and awareness programs organized for water conservation: Celebrated "Jal hi Jeevan hai" on 04/04/22.
- Providing knowledge about vermicompost and its preparation.
- Cleanliness drive organized for the whole Institute from 1/10/22 to
- Popularizing the motto of Reduce-Recycle-Reuse.

Department of Psychology
Mental Health Day Report
(2017-18 to 2021-22)

World Mental Health Day (10 October) is an international day for global mental health education, awareness and advocacy against social stigma.[1] It was first celebrated in 1992 at the initiative of the World Federation for Mental Health, a global mental health organization with members and contacts in more than 150 countries.

World Mental Health Day was celebrated for the first time on October 10, 1992, at the initiative of Deputy Secretary General Richard Hunter. Up until 1994, the day had no specific theme other than general promoting mental health advocacy and educating the public. The green ribbon is the international symbol of mental health awareness.

The overall objective of World Mental Health Day is to raise awareness of mental health issues around the world and to mobilize efforts in support of mental health.

Every year Department of Psychology, Institute for Excellence in Higher Education, Bhopal organises Mental Health Day on 10th of October, to spread awareness about mental health and overall well-being. To celebrate the same, Department of Psychology (IEHE, Bhopal) conduct programme as per the theme given by World Health Organization (WHO) every year. The following table summarises the report:

S . N o	Year	Theme	Report
	2016-17	Psychological First Aid	To understand and to spread awareness about psychological first aid, department of psychology organised Debate, Slogan and Poster Competition and students also performed street play as fun and educational activity.
	2017-18	Mental Health in the workplace	To highlight the theme of the year, department of psychology organised Guest lecture by Dr. Preeti Mishra on Restoring Mental

Report of IEHE NCC Unit of IEHE of 4 MP Battalion

for the session 2020-21

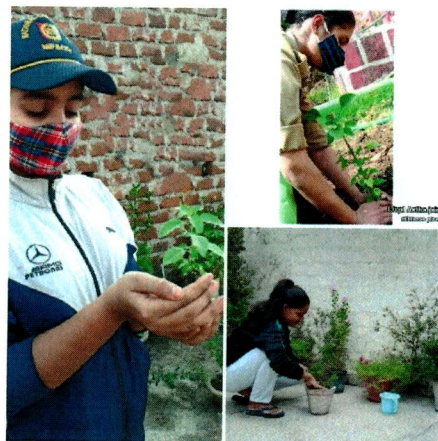

NCC unit of Institute for Excellence in Higher Education achieved a lot of achievements in terms of cadets' achievements in very short span of 5 years. This year entire world suffered from pandemic. Almost entire session witnessed the sufferings of lockdown, despite lockdowns due to current pandemic across the entire nation our cadets shown commitment to serve the society in solidarity, disciplined and organised manner through different events and activities. Here in this report I would like to detail events what we have organised in a year chronologically

5 JUNE 2020 Plant a tree, Plant a breadth

The NCC unit of IEHE, celebrated World Environment Day 2021, which is a day that reminds everyone on the planet to get involved in environment friendly activities. IEHE NCC Cadets came together to pledge towards building a greener planet. by starting a campaign of "Plant a tree, Plant a breath", through which cadets planted variety of saplings and shared their experience. They also vowed to take care of the plant until it gets mature. On this day we also had Poster Making Competition for our cadets to put forth their ideas in the Environment conservation. This step is highly needed for our society as our earth is at a high risk of major climatic disasters like uneven rains, drought, high temperatures, melting icebergs, and desertification and so on. We need to make the people aware about it.

June 21, 2021. International Yoga Day.

The NCC unit of IEHE conducted an online webinar to mark **International Yoga Day**. Respected **Yogi Anushri Jain** was the guest of honour. Yoga is highly beneficial for our mind, body, heart and psychological balance. It opens all the senses and helps in their better functioning. In this online yoga session cadets performed the yoga postures. The events which were organized for the better knowledge and exploring the cadet's creativity were – Poster Making Competition and Slogan Writing Competition. In this many cadets participated and made both handmade as well as digital posters depicting the importance of yoga and promoting it in the youth. Our honourable ANO Dr. MANISH SHARMA sir also facilitated the cadets and appreciated their efforts.

JULY 26, 2021. Kargil Vijay Diwas.

Our Unit, marked the KARGIL VIJAY DIWAS by conducting activities like

2. Poster making competition

3. Slogan writing competition

4. Poem recitation

The cadets paid tribute to the Martyrs with their dance performance, poetry, posters. As chief guest **Ex. SubMajor Habib Khan** joined us and shared his experiences of the war situations, operation Vijay, border duty postings and hardships of situations during war. The webinar was preceded by the then Director (I/C) of IEHE, **Prof. Mahipal Singh Yadav** thanked the Indian army for protecting us in all situations and shedding their blood for our safety. Program was conducted under the guidance of **Dr. Manish Sharma** shared his memories of the wartime situation that how a civilian reacted to all tensions at the KARGIL Border. It was a successful attempt to introduce our budding cadets to the experiences of the army officers and civilians and how to tackle with them judiciously.

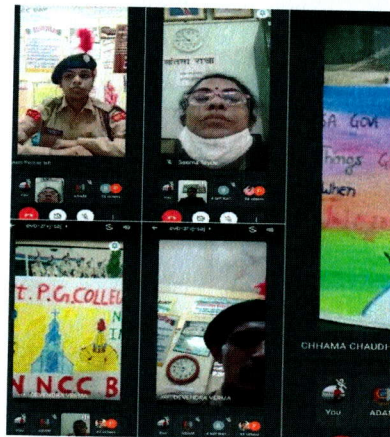

August 14, 2021. National Integration.

Bhopal Group HQ, MP&CG DTE conducted a webinar on national integration under the supervision of ANO Adam Mansoor. As the chief guest, Col. Prashant Kumar joined and blessed the cadets with his inspirational words and also appreciated them. From the IEHE NCC unit, 2 cadets L/CPL Surya Prakash Namdeo and CDT. Mansi Dhangar presented a self-written poem and a PPT about the same. And rest all the cadets joined the webinar from their homes and listened to the event carefully.

October 28,2021.Cleanliness Rally On Plastic Use Awareness.

The NCC unit of IEHE carried out "प्लास्टिक से रक्षा" rally under the Clean India, Safe India campaign at the Kaliyasot Dam trail and nearby areas including the IEHE campus. All cadets enthusiastically took part and shouted out slogans against plastic usage and collected all the plastic materials in the way. Cadets interacted with the passersby and made them aware about harmful effects of plastic as well as how to safely dispose plastic materials. Also the cadets tried to spread message about not to use plastic by banners and posters.

November 19,2021. Rank Distribution Ceremony with Orientation for First year cadets.

Institute for Excellence in Higher Education, Bhopal NCC unit, 04 MP Boys Battalion, Bhopal group held the Orientation program for the newly enrolled 1st year cadets and Rank Distribution ceremony at Hall number 2 in IEHE. As the Chief Guest Lt. Col. Vineet Dwivedi (ADM 4 MP Boys Battalion Bhopal) inaugurated the program and was warmly welcomed by the ANO Dr. Manish Sharma. Guest of honor Dr. Sudhir Sharma (Pro-vice chancellor SRK university Bhopal) addressed the cadets and shared his past experience of RDC and as an ANO. Guest Bhm Kultar Singh Guleria was welcomed by the host of the program Dr. Manish Sharma (ANO/CT IEHE NCC Unit) and he addressed the program and blessed the cadets for a bright future. All the rank holders starting from SUO, UO, QSGT, CPL, LCPL were called one after another over the stage and were given the respective ranks by the Guests with a message to take up the responsibility and to fulfill it. Further, newly enrolled cadets were given the NCC uniform material by the hands of our chief guest, guest of honor and BHM with a blessing to excel in future. It was a matter of gratitude for all the cadets and no matter no gets the rank the responsibility to take the NCC unit of IEHE lies equally on the shoulders of all the cadets and they have to put in equal efforts for the betterment of the unit taking forward the motto of NCC – ‘UNITY AND DISCIPLINE’

them cope up with the never ending sorrow of life and loss they faced. It was a never before accidental loss to the countries defense panel.

January 26, 2022. 73rd Republic Day.

Institute for Excellence in Higher Education⁴ MP BOYS Battalion, Bhopal GRP HQ (MP&CG DTE) Conducted the flag hoisting ceremony on the auspicious occasion of the *73rd REPUBLIC DAY* Cadets performed drill and showed the respect by saluting the National flag hoisted by the Director of the Institute DR. PRAGYESH Kr. AGRAWAL . ANO Dr. Manish Sharma addressed the cadets with his motivating words. All the teaching and non teaching staff along with students attended the ceremony. It helps to motivate and inculcate in the cadets a sense of responsibility towards their nation and towards the people of their country. The event helps to remember the sacrifices our freedom fighters did for us and gave us the Constitution of India. It was the biggest achievement after Independence of India.

Detail of the Extension Activity

1. An extension activity was organized in the village of Bairagarh chichli by the department of Food Science and Quality Check. The health check-ups of the residents of the village was conducted. Some of the check-ups that were done are Hb, BMI(body mass index), blood pressure. This was done under the surveillance of DR. GORVA (MBBS) and SAWRNA(Technician).
2. An awareness Program was organised for the formation of SHG(self help group). PRAKASH HATWALNE imparted the knowledge about the importance of Self Help Groups and their roles, duties. They were also taught how these SHGs can be created and become an asset for the villagers.
3. Another extension activity was organised in Bairagarh chichli. In this extension activity, the villagers were taught about the preparation of soaps, detergents, and floor cleaner at home. This activity taught skills to the women and they can be financially independent.
4. Another extension activity for the students of primary school was organized. The students organised a game play activity for the young ones.
5. In village Borda an extension activity was organised for the villagers. Here the residents were taught about Preservation of the Food and Processing – pickling, rose water and Preparation of chips were demonstration.
6. In village Borda house hold methods of detecting adulterants in food commodities were explained in the year 2020-2021. This activity was conducted to create awareness about the adulterants that are highly toxic for the body. These toxins can lead to health issues like heart failure, liver disorders, kidney disorders, etc.

Tarang

It is the cultural fest of the Institute where students display their skills and talents and receive suggestions and approvals from judges and guests. It was held for four days from March 12, 2022 to March 16, 2022. The first day starts with events like Mask making (Mukhavarna), Mehendi, Rangoli, Wall painting and Food stalls. The events are unique in terms of their creative expression and the enthusiasm of the participants. The themes are different each year and usually kept to either mark an event or to instil awareness about various issues among students.

Second day of the fest begins with stage events such as Play and Solo Dance. The plays are theme based (like evils of society, women empowerment, current issues etc.) are performed in various ways. Solo dance performances are divided into three categories: classical, semi-classical and western/folk, where the emotions of the artist and how deeply they are connected with their dance forms were showcased wonderfully. The Director's Medal is disseminated to the students who have excelled in not just academics but other co-curricular activities as well. In the year 2022 The Directors Medal was awarded to Ms. Prateeksha Pandey. The medal represents the ethos of the Institute where an overall development of student is aimed in order to make them ready for the challenges in the outside world. The medal was awarded by the Honourable Education Minister of Madhya Pradesh(MP) in the presence of the Director, Institute for Excellence in Higher Education, Bhopal and other distinguished faculty members of the Institute. Degrees were also distributed by the honourable guests to the students who have excelled in their respective disciplines.

Following day other events such as Singing, Group dance, Short film making and Poetry recitation competitions were held in the Institute. All these events give ample opportunity to the students to perform and connect with the audience. The evaluation was done by the proficient judges from various Institutes and platforms. Singing and group dance were divided further into different categories. Short film making is named as Fist of Films and this year's theme was (IEHE: A gateway to Success). Institute has also organised Poetry competition in various languages (such as Urdu, Hindi and English), themes of the poetry were ranging from nature to issues of social concern.

Final day of the Fest is marked as Traditional Day where Band performances were done by the college Band named- Sound of Silence (SOS). In the year 2022 another Band Rutba performed as well, which was comprised mostly by former students of the Institute. Another event which marks the end of this programme is named as Andaaz-e-poshak based on famous characters, tradition and culture where students in different attires walk on the ramp.

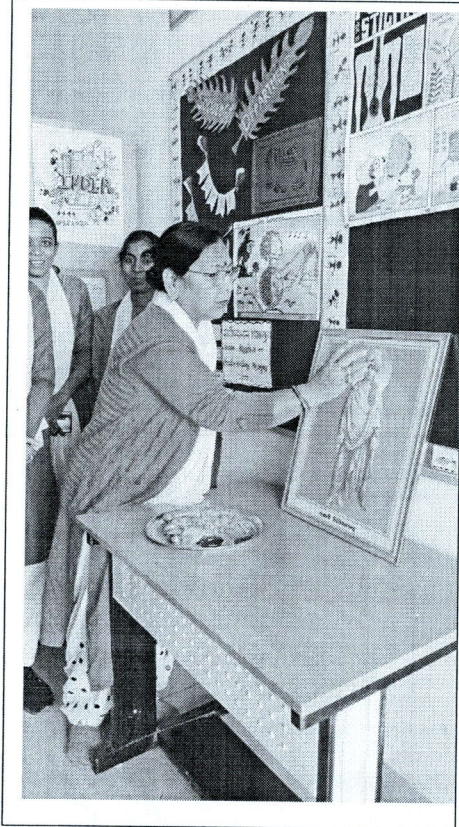

The fest ends with acknowledging students who worked backstage as volunteers or as heads of cultural committee for making the fest manageable and enjoyable. The programme ends with encouraging words of the Director to the students to continue the tradition and legacy of the Institute in the most organised and enthusiastic manner.
