

INSTITUTE FOR EXCELLENCE IN HIGHER, BHOPAL

BRICKS TO BRIEFCASES

The Commerce Society organised an inter college model making competition **“Bricks to Briefcases”** under the able guidance of Director Dr. Pragyesh Kumar Agrawal sir and Head of Department Dr. Vinod Kumar Shukla sir, Project Coordinator Dr. Sharda Gangwar mam and Student Coordinators Vedansh Agrawal Secretary (Accounts) and Mansi Saxena Secretary (Management).

The programme started with welcoming of honorable director of the institute Dr. Pragyesh Kumar Agrawal sir with a sapling. The jury panel consisted of 15 members. The main idea behind this competition was to bring out the ideas of commercial buildings and their working. There were 27 models from the institute itself and 21 model participations from other colleges.

The students gave a 3 minutes presentation on the models made by them with the help of ppts, charts and files accompanying each model. The files were especially made to emphasise the importance of offline documents. The chart explained the authorities and working of their chosen topic.

Respected Director sir appreciated the efforts of the students and said that the institute's incubation Centre would help the students with any requirements. Dr. Sharda Gangwar mam's motive behind this topic was to create awareness among students about these corporate hubs and institutions.

The event wrapped up with the encouraging and enlightening words by Honorable Director sir. All the participants were provided refreshments and at the end of the event.
