
REPORT ON PROGRAMME OF ACCOUNTING AND TALLY

A special workshop has been organized by Institute for Excellence in Higher Education from 15 October as Day 1 to gain knowledge about TALLY ACCOUNTING. So today was the day 4 on October 18, 2022. It was jointly organized by CA Megha Tripathi Associations and Institute for Excellence in Higher Education, Bhopal.

In the presence of Mrs. Sunaina Tiwari mam and Mrs. Sharda Gangwar mam around 70 students from the commerce department attended the workshop. It was a great experience for all those who attended it, learning and understanding the tactics of Tally Prime.

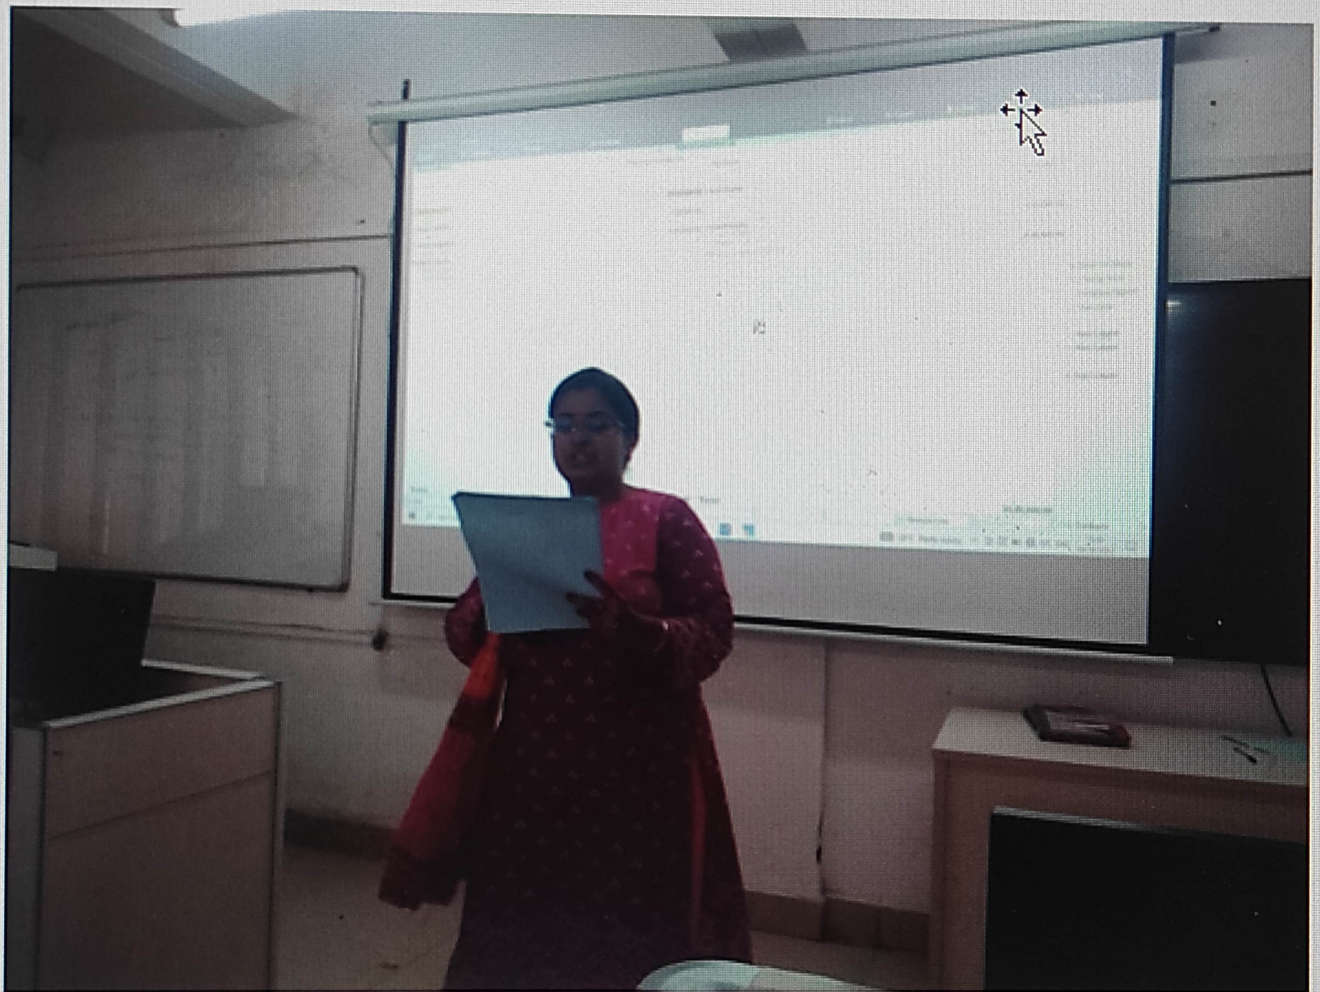

The expert guidance and lecture were given by CA Megha Tripathi Mam. The points included in lecture was – introduction to what is tally, latest version of tally which is tally prime. its importance, benefits, features and practical knowledge of tally making – by making students practice a question, giving link to download the software from, so that students can practice more on it.

Basic Introduction of tally is that it is a user-friendly accounting software that facilitates various kinds of accounting solutions in a simplified format. Students were fortunate that they could gain this knowledge from an expert.

The most important and the good thing of this workshop was that students could gain practical knowledge and not just the theoretical knowledge. It was an interactive session between the expert and the students.

The workshop ended by giving assignment to be done for practice to the students and thanking note delivered by Mrs. Sunaina Tiwari Mam. She thanked the expert for her precious time and for giving her expert guidance to all the students.
