About the Journal

IEHE Shodh Setu is an online, multidisciplinary bilingual and peer-reviewed research journal published twice in a year by the Institute for Excellence in Higher Education, Bhopal, India. This Journal is solely dedicated to publishing *avant garde* research on the Indian Knowledge System (IKS) with the aim to bridge the gap between traditional knowledge and modern thought through encouraging a dialogue about the vast intellectual traditions that form the crux of Indian Knowledge System, including Vedic, Buddhist, Jain, and other philosophical systems. Integrating insights from Science, Humanities, Arts, and the Social Sciences within the framework of IKS, it seeks to bolster critical and comparative studies of Indian Knowledge Systems with other global knowledge traditions thereby promoting a deeper understanding of their universal and context-specific values.
